LIFE SKILLS

Describe the Life Skills you used and what you learned in relation to your project.

I used one or more of these Life Skills from the Targeting Life Skills Wheel	What I learned as a result of using this skill.
HEAD Example: Decision Making	I learned that I needed to be sure to budget my money when purchasing my rabbit projects so I would have enough to cover all of my expenses.
HEART Example: Sharing	I learned how to give younger 4-H members pointers on how to fit and show their animals properly.
HAND Example: Community Service Volunteering	I took my lambs to the elementary schools "Ag Day" and I was able to teach and expose 100 students about my lamb project.
HEALTH Example: Managing Feelings	I learned to control my feelings when I became frustrated that my pig would not cooperate to get loaded on the trailer.

I used one or more of these Life Skills from the Targeting Life Skills Wheel	What I learned as a result of using this skill.
